

### **Ribbon Cutting Request Form**

A ribbon cutting is a free promotional activity for all Chamber members. The Future Omro Chamber will provide the ribbon and scissors. We will take photos of your team to post to our social media page and website as well as submit a photo release to the newspaper with a description of the event. Please consider a ribbon cutting if you are a new business, have a substantial anniversary or new updates to share with the community.

Business Name: \_\_\_\_\_
